ABOUT ALYSSA

Alyssa Sinagra is a senior account executive for our Benefit Solutions team at the Salisbury office. She joined Avery Hall in 2006 as a customer service representative, was later promoted to account executive, and in 2016 was promoted to her current position.

Her specialty is working with individuals and families, helping them find the best plan that fits their medical, dental, vision, life, annuity, and long-term care insurance needs. Alyssa also works closely with Medicare beneficiaries helping them analyze and choose the best Medicare Supplement and Medicare Part D prescription plans. Her favorite part about her job is when she can help individuals decide whether they can afford to retire.

One of Alyssa's biggest passions is traveling the world. Some of Alyssa's favorite places she has traveled to are Maui, Hawaii, and Italy. These destinations will always have a special place in her heart as she got engaged in Maui and spent her honeymoon in Italy! She and her husband rent a car and drive where the road takes them, as that has often led to their most extraordinary adventures.
