

MARY MENGASON

SENIOR VICE PRESIDENT AVERY HALL BENEFIT SOLUTIONS

ABOUT MARY

Mary Mengason is the senior vice president of Avery Hall Benefit Solutions and is a managing partner of the AHBS office in Salisbury. Her career with Avery Hall began in 1995 as an account executive, and she was later promoted to her current position in 2005, becoming a partner in 2007.

Mary's specialty is designing benefit packages that enable employers to attract an extraordinary workforce. Her customers include businesses of all sizes, from small family businesses to large multi-state companies.

She enjoys selling employee benefits packages because she understands how challenging it is for businesses to be competitive. Today's employees are not only looking at salaries but want to understand their overall benefits package. For employers, Mary and her team attempt to alleviate the stress of employee benefits, frequently working as an "HR department" for their customers. Staying knowledgeable about ever-changing legislation and compliance regulation and informing her customers is integral to the partnership AHBS provides.

Mary enjoys spending time with her marathon runner boyfriend, Eddy, her family, her friends, reading, listening to music and podcasts during her free time. Mary loves being anywhere near the water and treasures her time with her family.
