

## Alyssa Sinagra

SENIOR ACCOUNT EXECUTIVE, AHIP CERTIFIED

*Avery Hall Benefit Solutions*

Alyssa Sinagra is a senior account executive for our Benefit Solutions team at the Salisbury office. She joined Avery Hall in 2006 as a customer service representative, later being promoted to account executive, and most recently, earning a promotion to her current position.

Her specialty is working with individuals and families, helping them find the best plan that fits their medical, dental, vision, life, and long-term care insurance needs. Alyssa also works closely with Medicare beneficiaries helping them analyze and choose the best Medicare Supplement and Medicare Part D prescription plans. Her favorite part about her job is when she can help individuals decide that they can afford to retire. Their medical insurance plays a key part in deciding to retire and when a person realizes they can retire after working their whole life, it is very rewarding for her. She enjoys the educational seminars she offers to both the public and privately.

Professionally, Alyssa has been the recipient of multiple awards and recognitions. Most notably including the Wicomico County Coordinator of the Year award from United Way, the Mutual Sales Leaders award from Mutual of Omaha, and the Golden Eagle award from the National Association of Health Underwriters (NAHU). She also has her Certification in Long-Term Care (CLTC) designation, which focuses on the discipline of extended care planning.

One of Alyssa's biggest passions is traveling the world. Some of Alyssa's favorite places she has traveled are Maui, Hawaii, and Italy.

When she is not traveling, Alyssa loves spending time with her family. She has had many accomplishments in her life, but being a mom is her greatest so far! She is a Delmar native and loves being a part of such a close community.
