

Walter Richardson

PERSONAL LINES ACCOUNT EXECUTIVE

Walter Richardson is an account executive for the personal lines department. He joined the Avery Hall team at our Salisbury office in 2015. Walter specializes in customizing new home, auto, watercraft, and recreational vehicle policies to fit the client's needs as they evolve and change. He also works with customers to ensure they have protection for themselves and their loved ones with the appropriate level of life insurance.

One of his greatest passions is teaching and helping others. That is why he enjoys his involvement and volunteer work with Junior Achievement of the Eastern Shore. It is also one of the reasons he loves his job so much! Walter takes pride in knowing he is helping to educate others on a topic many deem as confusing and challenging.

He spends much his time outside of work enjoying sports. When he is not volunteering as a little league coach, he is either playing sports himself or watching them on TV. His favorite sports team is the Baltimore Orioles.

Walter also enjoys spending time with his family. He is married to his wife Kim, and together they have two children and several pets. If it is a movie night in their house, they are either watching Happy Gilmore or Star Wars.

A fun fact about Walter is that before joining Avery Hall, he worked as a store manager at a local Starbucks!
